

Rules to Participate in Citizens Comments as per current Board Policy 006 and 903. Please be advised that Citizens Comment is your opportunity to present your information to the Board in regard to our agenda items and/or Southmoreland Schools. It is not expected to be a dialogue between you and the Board. Do not expect any remarks or responses to any comments that you make today. It is our intention to take these comments seriously and resolve such matters as deemed necessary. All statements shall be directed to the presiding officer. No participant may address or question Board Members individually. Doing so may result in immediate termination of your speaking time. Also note that we will not permit ANY statement that exceeds 3 minutes. You will be notified when you have 30 seconds remaining to speak. We also cannot permit any statements that are personally directed or obscene, abusive or irrelevant as decided by the presiding officer. Again, doing so will result in immediate termination of your speaking time. All speakers must preface their comments by an announcement of their name, address and any group affiliation if appropriate. This is to ensure that only Southmoreland citizens or those deemed as such are speaking to the Board and the public at large who may or may not know your identity. Thank you for your interest in Southmoreland Schools.
